

Calf & Lamb Booster

The **Calf & Lamb Booster Pellet** is a high protein, energy, minerals and vitamins feed. The 8.0 mm feed pellet is designed for fattening calves and lambs using premium fresh ingredients and feed additives. This highly digestible feed is formulated to boost daily weight gain and enhance the carcass quality of growing calves and lambs. It is also an ideal diet during breeding by boosting the fertility, pregnancy and calving/lambing rate. No hormones, animal proteins or harmful chemicals are used in this product.

INGREDIENTS

The **Calf & Lamb Booster Pellet** is formulated from a selection of the following fresh ingredients and feed additives: Barley, Wheat, Canola Meal, Lupins, Soyabean Meal, Cereal Byproducts, Molasses, Vegetable Oil, Limestone, Salt, Urea, Dicalcium Phosphate, Rumen Buffer, Magnesium Oxide, Yeast, Mould Inhibitor, Bovatec (Lasalocid Sodium), Antioxidant and Vitamin & Mineral Premix (Vitamins: A, D₃ and E, and Minerals: Zinc, Selenium, Copper, Iron, Iodine, Cobalt and Manganese).

FEEDING GUIDE

- Feed **Calf & Lamb Booster Pellets** daily at 2.0 to 2.5% of the animal's live weight along with free access to hay or pasture (minimum 25% by weight of total feed).
- Introduce gradually over 10 - 14 days to allow rumen adaptation.
- Ensure free access to hay and pasture as well as clean water at all times.
- This product contains urea and is suitable for weaned calves and lambs only.
- Bovatec (Lasalocid sodium) is used as a medication to control coccidiosis and improve feed conversion efficiency. Withholding period is nil.
- Do not feed to other species such as horses, dogs or cats.
- Consult a nutritionist if needed and before feeding.

Approximate Nutritional Values (DM basis)

Crude Protein	15.3%
Metabolisable Energy	11.7 MJ/kg
Crude Fibre	27.0%
Crude Fat	3.2%
Digestibility	78%
Selenium	0.5 mg/kg
Zinc	40 mg/kg
Manganese	48 mg/kg
Iron	150 mg/kg
Copper	12 mg/kg
Cobalt	0.4 mg/kg
Iodine	0.5 mg/kg
Vitamin A	7,000 IU/kg
Vitamin D ₃	600 IU/kg
Vitamin E	50 mg/kg

QUALITY ASSURANCE

This product is manufactured under strict quality assurance standards using high quality and safe ingredients and feed additives in the feed formula. Every batch is produced with precision and care to ensure consistent nutrition and performance outcomes. Expiry is 6 months from date of production.

PRODUCT SPECIFICATIONS

- **Pellet Size:** 8.0 mm designed for optimal calf and lamb consumption and minimum feed wastage.
- **Supply Format:** Bulk
- **Storage:** Keep in a cool, dry, rodent free store. Keep away from direct sunlight to ensure freshness and nutritional quality.

Disclaimer: The product composition may be subjected to change due to ingredients availability, supply and seasonal variation. The information provided in this brochure serves a guide only and may vary depending on farm feeding conditions.
